Dear Parents/ Carers,

At Birley we believe language learning is important to all of our KS2 children, therefore we would like to introduce you to a new app called **Glurbs**. This app is developed by the creators of our languages scheme – Language Angels. **Glurbs** is a game-based learning app which provides a combination of learning and game play to ensure children enjoy learning foreign languages both at school, and in their own free time.

Glurbs is a completely free app! All you need to do is download the app from the app store and setup your own username and password. This app is completely safe for children to use with no ability for children to communicate or contact other users. This app will continue to grow over the coming months with more content to be added.

If you wish to find out more about this app, you can follow this link which will take you to the Glurbs website: <https://glurbs.com/>
