Dear parents/carers,

Please may I take this opportunity to remind you of the importance of allowing teachers to bring out their classes and line the children up in their allocated spot before you attempt to collect them. Currently, parents/carers and older siblings are congregating around the doors, bottom of stairs and walkways as the children leave the school building and not allowing us to do this.

Unfortunately, if the situation doesn't improve, the gates will have to remain locked until all children have lined up safely, before allowing parents/carers onto the school grounds. This is obviously a situation we want to avoid.

There is a zoned parent waiting area on the playground as previously communicated where we ask that you wait until children have exited the school building and are lined up. Once this has happened you can approach the line, informing your child's class teacher you have taken your child.

I am sure you will agree that the safety of all children is a priority and will work alongside us to ensure we achieve this.

Many thanks for your continued support

Dawn McAughey
