Thursday 2<sup>nd</sup> May 2024,

Dear Parent/Carers,

Please could I remind all parents and carers regarding the expectations we have throughout the academy in terms of school uniform. Please support us in ensuring these expectations are followed.

We really appreciate parents, carers and pupils working with us to keep our academy smart. A school uniform helps promote a community identity. It makes life fair for all children when the same rules apply. If, for some reason, your child/children are experiencing difficulties with wearing correct uniform then please contact a member of our inclusion team.

Please ensure you put your child's name on all items of uniform.
